CORN YIELDS INCREASED

Although Georgia's corn
average was the lowest in 49 years

acre of 15 bushels was the high-
est on record. The 1947 crop was
valued at more than \$100,000,000,
the second highest value on re-
cord in the state.

The revolutionary new Ford four-door sedan for 1949 is lower, wider, roomier and provides nearly 25 per cent more visibility.

The smooth, flowing lines of the 1949 Ford passenger cars are accentuated by the simplicity of the air-scoop grille. Fresh air for the pressurized ventilation system also enters through the grille.

4-H Club Boys and Girls Go to Camp
Fulton For a Week

Approximately 40 Bulloch county 4-H club boys and girls will join around 150 clubsters from Screven, Effingham, Bryan and Evans counties at Camp Fulton next Monday for a week of work and play.

These clubsters have been going to the mountains for this annual training week, but the camp was not available this year. Camp Fulton is just outside Atlanta. Tours of the parks, buildings, and a visit to Stone Mountain will replace the usual mountain hikes. They will be guests of the Atlanta Crackers on Wednesday night and the Fox theatre Thursday night.

Classes in wildlife, rifle shooting, table setting and etiquette, handicraft and home industries, recreation and engineering have been arranged, with specialists in these fields as instructors.

The group will have two swimming periods daily and will play baseball and other camp games. A highlight will be a stunt night. Folk games will also be major part of the night's activities.

The clubsters will leave Monday morning at 7:00. The 300 clubsters will meet at Indian Springs for a picnic lunch and leave 12:30 p. m. to proceed to camp. The return trip will include a visit to the Warm Springs Foundation and the Little White House, where guides will conduct a tour of the foundation and discuss its activities.

4-H Club Members Picked to Compete In Achievement Contest

4-H club members who will represent Bulloch county in the district achievement contest to be held here July 22, 23 and 24 were selected Saturday by the process of elimination and by competent judges of various contests.

Winners in Saturday's elimination were: Luwetta Lowe, Brooklet, home improvement; Boots Beasley, of Register, canning; Marian Hagan, Brooklet, senior girl speaker, with Margie Floyd, of Lee field, and Gene Mikell, of Warnock, as junior speakers; Wynette Blackburn, Middlebrook senior girls' dress revue winner; Lovetta Burness, Nevils, junior winner in the dress revue; Doris Riggs, Register, yeast bread winner; Melva Cross, Nevils, muffins winner.

Devonah Roberts, Nevils, will represent the county in livestock judging for the third year.

Robbie Martin, of Nevils, or Franklin Lee, of Lee field, will represent the boys in the rifle contest. Fay Vickers, Brooklet, and Marian Hagan will also have to compete with each other for the rifle championship.

These winners will have charge of the Farm and Home tour on WWSN Saturday at 12:15 p. m.

THE METHODIST CHURCH
11:30 a. m.—"The Dead Yet Speak."
8:00 p. m.—"What of It?"
Sunday School at 10:15 a. m. and Youth Fellowship at 7 p. m.

A memorial plaque, bearing the names of four members of the Statesboro Methodist Church who lost their lives in the service of their country in World War II, will be presented to the church and dedicated next Sunday morning in the 11:00 o'clock service.

The men whose memory are honored are:
Flournoy Glenn Hodges, who died in the Battle of Midway; Charles Thomas Hunnicutt, who died in the Battle of Northern France; Bert Hugh Ramsey Jr., who fell with his plane into Ireland, and Rufus Stephens, who fell with his plane into the Baltic Sea.

The plaque was purchased by the church, and after its dedication will be hung on the wall of the church vestibule.

The pastor will preach following the dedication on the subject, "The Dead Yet Speak."

BUOYANT answer to Back Road and Boulevard

any of Buick's all-coil springing which puts a pillow of deeply coiled steel at each wheel to soak up the bumps and ripples.

It comes from the softness of bigger, lower-pressure tires that cushion away road tremors and roughness—from the sure-footed, swerve-free steadiness of Buick's extra wide Safety-Ride rims, widest in the industry.

And it comes in special measure from a brand-new engineering gem we call Vibra-Shielding which banishes vibration build-up. Here for the first time you're freed from the motoring fatigue brought on by tiny tremors piling up into bigger ones. Here your miles are made smooth and quiet—long journeys become mere jaunts.

When better automobiles are built, BUICK will build them.

In local government, the League works on such problems as improvement of public schools, tax reforms, welfare, health and housing, and the adoption of a council-manager charter.

The officers of the Bulloch County League are Mrs. W. W. Edge, president; Mrs. Howell Sevel, vice-president; Miss Elizabeth Sorrier, vice-president; Mrs. Ivan Hostetter, secretary; and Mrs. Bert Riggs, treasurer.

Next week we will present the second of the series, which will include "How to Vote," and the names, salaries, terms and expiration of terms of all the county officials.

FOR SOLICITOR GENERAL To the People of the Ogeechee Judicial Circuit:

I am asking you for a chance to serve you as Solicitor General, and am a candidate for that office in the State Democratic Primary of September next, subject to the rules of the same.

For many years I have tried to prepare myself to render you a valuable service as your Solicitor General. I have had a thorough legal training, and have practiced law actively, six days a week, year in and year out, at the Bar of the Ogeechee Circuit since 1935, and daily for the year period served in the Armed Forces.

I have served for a number of years as County Attorney, as a member of the City Council of Millen, and have held other positions of public trust. I have been and am now, serving as Judge of the City Court of Millen.

My experience also includes the trial of numerous criminal and civil cases. In these criminal cases I have often been associated with the Solicitor General as Special Counsel over a period of thirteen years, and have had valuable experience in the prosecution of criminal matters in the Superior Court.

I earnestly ask for your vote and support, and pledge myself to faithful service in your behalf.

Sincerely, (tfc) MILTON A. CARLTON.
